About this Publication:

This 2nd edition of *Understanding the Labour Relations Act* has been updated to reflect the legislative amendments and case law since the publication of the popular first edition in 2009.

The Labour Relations Act is the main pillar of the South African labour relations system. It aims to promote collective bargaining and the peaceful resolution of employment-related disputes.

Understanding the Labour Relations Act contains an accessible, non-legalistic commentary on the Labour Relations Act. The key provisions of the Act are systematically covered, with Key Point summaries and frequently asked questions (FAQs) to aid understanding.

This book is an ideal companion to *Labour Relations Act 66 of 1995 & CCMA Related Material* in the *Juta's Pocket Statutes* series.

Contents Include:

- Purpose, application and interpretation of the Labour Relations Act 66 of 1995 (LRA)
